Harley Davidson Motorcycle!

This year's event will once again be held at the Kingswood Golf & Country Club in LaSalle which is located 6 short minutes from the South Perimeter off Highway No. 330 and PR#247. All Players tee off on every hole with the best ball on each series of shots being selected, including the putt. This year's tournament will aid both Kidsport and the MS Society. Kidsport is a national charity administered by Sport Manitoba that helps to remove barriers and assist less fortunate children to participate in sport - so all kids can play.

Building A Better Way.
